

TASK SPRING PARTY WITH SH-BOOM

Well spring is here – and none too soon for all of us. And you know what that means - our **Annual Spring Party with SH-BOOM**. Last year was a sell-out crowd, so please mark your calendars for Saturday, April 4, 2009. Once again, the event will be held at Orlando Gardens, 4300 Hoffmeister, St. Louis, MO 63125. This year we will be occupying the larger rooms at Orlando Gardens so space should not be a problem.

Ticket prices are \$40.00 per person. Your ticket price includes food, open bar, dancing, live and silent auction, 50/50 raffle and of course the funny and enjoyable SH-BOOM. Back by popular demand are the food stations. Station #1 will include a Chuck-A-Burger Bar, grilled hot dogs, chili, french fries and onion rings. Yummy! Station #2 will include pizza and a salad bar. Sounds too good!! Last but not least, there will be a Malt Shop serving root beer floats and a build your own Sundae Bar. *Yikes, it will be an eating extravaganza.* All the stations will be open for an hour and half for your ultimate dining pleasure.

Once again, we will be offering Dinner and Bar Sponsorships. For a \$350 donation, you can be a Dinner Sponsor and receive four admission tickets and an ad in our booklet or for \$175, you can be a Bar Sponsor and receive two admission tickets and an ad in our booklet. All sponsors will have their names displayed at the event. Premium sponsorships will receive a reserved decorated table with special fun surprises.

Please come out and join us for some good food, great dancing, and an enjoyable and entertaining evening. Doors open at 6:30 pm, food stations will begin at 7:00 pm and SH-BOOM will start playing at 8:00 pm.

TASK TRIVIA NIGHT

Thank you to all who played, sponsored and volunteered at this year's 10th Annual TASK Trivia Night. The evening was a huge success. Your generosity, especially in this time of financial instability, is greatly appreciated. Once again, you have come through for the kids of the TASK organization! Thank you to our sponsors who helped defray the cost of the evening: **Neal and Pat Alster, Chip Allison, Nancy Barbeau, Dr. Thomas Black, Bob and Linda Buechel, Car Product Services, Kyle and Melissa Earthman, Mark and Kim Furrer, Steve and Kim Nester, Northern Trust Bank, Chris and Tom Schiller, Rory Schroeder and Sports Service, Sheet Metal Workers and John and Janet Soden.** We hope to see everyone next year!

FROM THE DIRECTOR...

Spring is here and it is time to get outside and enjoy the weather. TASK will be hitting the course, and the fields running with all of our spring and summer activity choices in this newsletter. I hope you can come out and join us for some golf or ball in the near future. If you would rather stay inside come out and bowl or learn Karate with us.

Hockey, basketball, dance and rec night activities are winding up and everyone who participated seem to have a good time. Cooking was a big hit with the chefs in the group. The athletes learned how to make snacks, desserts, and various meal ideas. The aprons were a big hit and I hope all of you parents are enjoying the creations of the new cooks in your families.

TASK camp is coming up the last week in July. We will be swimming and playing a number of different games and sports at camp this year. The campers will also have arts and crafts, cooking and drama each day to take part in. CBC Camp will be held the week of July 20th. Campers will make new friends as they dance, act, and participate in physical, art and science/technology activities.

TASK has continued to look for property and we need all of your support and prayers as the Board of Directors decides what the next step is. Today's economy is scary and it is a big step that TASK is considering taking. Let us know if you can help out with this process in some way. Help us create a place for your child, young adult and someday adult to participate with friends in physical and social activities in a safe environment.

Everyone have a great spring and summer. Enjoy the days off of school and come out and play with us.

*** PREMIUM SPORTS AVAILABLE TO GOLD AND SILVER MEMBERS ONLY**

UPCOMING EVENTS

Golf

The golf program focuses on the golf skills of grip, swing patterns, driving and putting. The program consists of 45-minute sessions. Throughout the six weeks, athletes alternate between using the driving range, practice putting greens and a miniature golf course. A station approach is used to focus on the skills listed above. The sixth week is spent at a golf course where the athletes have the opportunity to transfer the skills learned to actual course play. Golf clubs and other equipment are provided for athlete use; however, athletes can bring their own. You will receive a shirt that your child should wear each week. At the completion of the season, athletes will receive a trophy recognizing their effort in the season. See previous page for sessions, ages, times, location and dates.

Bowling

For the TASK bowling season, athletes are divided into teams according to age and ability levels and each receives a team shirt. Modifications for athletes are made on an individual basis for each athlete to succeed and learn about the game. Bowling ramps and gutter guards are available for those who need them. All are invited to participate no matter what their experience or ability level. At the end of the bowling season, each athlete is presented a trophy recognizing his or her effort, hard work and success. See previous page for sessions, ages, times, location and dates.

Fitness Club

TASK hopes to encourage fitness and good health through its fitness club. Athletes will use various exercise equipment such as treadmills, stationary bikes, stair steppers, etc., to increase their aerobic fitness. Each session will be 45 minutes. Athletes will be taught various exercises they can continue to do once they leave the club. All ages are welcome. The fitness club will meet every Thursday each month starting in September and ending in May. See previous page for sessions, ages, times, location and dates.

Softball Programs

TASK Tee Ball is for the beginning ballplayer. Athletes work on the basic skills of throwing, catching, fielding, hitting and base running. All ball players participate in game situations and hit a ball off of a tee. TASK Coach Pitch is designed for the intermediate ballplayer. Athletes continue to work on the basic skills, but instead of hitting a ball off of a tee, they hit a ball pitched by a coach. TASK Modified Softball is designed for the more advanced ballplayer. Again, athletes continue to work on the skills of the sport. We introduce pitching skills at this level and the athletes do the pitching in our games. We follow standard softball rules, playing three outs. However, batters are allowed five strikes instead of three. At the completion of the season, athletes will receive a trophy recognizing their effort in the season. See previous page for sessions, ages, times, location and dates.

Summer Camp/Swimming Lessons

The Team Activities for Special Kids summer camp program is a one-week day camp offered to kids with special physical and mental concerns. The focus of the camp is on functional and recreational skills. Swimming lessons will be a part of the camp day. Lessons will focus on various swimming skills, including kicks, strokes, underwater swimming and treading water - depending on the level of each camper. After the 30-minute swim lesson, campers will have "free swim" for the rest of the swimming time. Throughout the week campers participate in a variety of activities including craft projects, cooking, swimming, soccer, hockey, volleyball, basketball, water fun and more. **In order to attend TASK Camp, camper must have participated in a previous TASK activity. Familiarity with your child will help us to meet his or her specific needs at camp.** See previous page for session, ages, times, location and dates. All fees are non-refundable.

PREMIUM SPORTS (TASK Silver and Gold Members)

Karate

TASK Karate is taught by a certified karate instructor. The program focuses on basic self-defense, eye, hand and foot coordination, balance, agility and basic body awareness. Karate will run for six weeks and is open to all silver and gold members. See previous page for sessions, ages, times, location and dates.

Kickball

TASK Kickball runs like many other TASK team sports. Athletes are divided into teams based on age and ability. This program focuses on understanding of the basic rules, kicking a moving ball, throwing, catching, game play and team work. Kickball runs for six weeks and is played indoors. See previous page for sessions, ages, times, location and dates.
